Get Connected...

If you like to talk on the phone and you would like to serve the church from the comforts of your own home, this is the job for you. After people have been attending Saint Paul's for a few weeks, we feel that it is time

to get to know them better. We are looking for people who can make follow up phone calls to our newest attendees. It just takes a few minutes to call these people, ask them a few set questions and then invite them to attend the Saint Paul's Experience class.

If you would like to be a part of this team, call Nancy Hampton at 623-7090 or send an email to spconnections@gmail.com.
