

# Study Guide

This study guide is designed to help you to become more familiar with the Bible. Study these passages on your own, with a friend, or with a group. If you or someone you know needs a Bible, please take one from under a chair in the Worship Center. They are there for you to take home and use! Message manuscripts are available at [www.spwired.com](http://www.spwired.com).

Monday—**Read Isaiah 55:8.** This was the central passage in the message on Sunday. What does it mean to you today? Are there specific ways you can start to make God's thoughts your thoughts and his ways your ways? Are there areas where you are clearly rebelling against what you know are God's ways? Why?

Tuesday—**Read Psalm 119:24, 89-105.** The writer of this passage of scripture was poetically speaking about the results of learning, meditating upon, and applying God's laws and statutes to his life. What did these things mean to the writer? What do they mean to you? How might your life be different if you sought to learn, meditate upon and apply God's word to your life?

Wednesday—**Read Romans 12:2.** What is Paul teaching us here regarding God's will and our understanding it? How does this speak to your life and spiritual journey? What might you do to make this more real in your life?

Thursday—Today, practice on looking for principles in scripture that apply to God's will in your life. As you read, write down some principles that speak to you right now. **Read Matthew 5:1-22.**

Friday—Continue the exercise from yesterday in writing down principles from God's word. **Read Matthew 5:23-48.**
